THIRD CIRCULAR

General Information

The Conference will be held in the Main Building of the University of Messina (Piazza Pugliatti).

During the Conference travel and Secretarial services will be available.

The desk of Registration will be open from 19:00 to 21:00 on October 4th in the local of the Conference at the University. The Registration will continue on October 5th as detailed in the Program of the Conference.

A person of the Travel Agency “Viaggi MonDany” (Corso Cavour n. 154, telephone 090-3710934) will be present at the desk of the Conference for information and booking of services.

How to reach Messina

From the Catania Airport :

On Sunday 4th October, the Organizing Committee will arrange a Bus (or Minibus) from the Airport at about 18:00-18:30. A person with a poster indicating the title of the Conference will be at the exit of the arrival area of passengers. We invite the participants at the Conference to send promptly information on the arrivals at the Catania airport.

In any case, on Sunday, it is also possible to travel from the Catania Airport to Messina (Central Station) by the Bus of the SAIS company by the following time-table:

8:45 , 10:40 , 14:40 , 16:40 , 17:10 , 19:10 , 20:30 .

The travel time is about 1 h and 50 minutes ; the cost of the ticket is 8,30 euro.

On Monday 5th (and also in other working days) the time-table of SAIS bus is:

7:10 , 9:40 , 10:40 , 11:45 , 12:40 , 13:10 , 13:40 , 14:10 , 14:40 , 17:10 , 19:10 , 20:30 .

From the Reggio Calabria Airport :

The “Federico” company connects by minibus the Reggio Calabria Airport with the Area of “Caronte & Tourist” boats at Villa San Giovanni. The cost of the ticket is 4,00 euro. The “Caronte & Tourist” company connects by boats the port of Villa S. Giovanni with Messina. It is needed to buy the ticket (of 1,50 euro) at the desk of the “Caronte & Tourist” at Villa San Giovanni.

For general and technical reasons, it is not possible to arrange a shuttle bus service from the Reggio Calabria Airport to Messina, but it is needed to use the Federico Bus and the “Caronte & Tourist” boat combination.

For any particular problem, please to contact the mobile telephone : 335 – 8379982.

Hotel Accommodation

All participants were informed by email already sent from the Organizing Committee on the hotel reservation. If it is needed to have any other information please to send promptly a message to the Organizing Committee:

conf2009@nucleo.unime.it

Meals

During the lunch time it is possible to use the “Accusatio Trattoria” located at “via Tommaso Cannizzaro n. 155/157” close the site of the Conference at University, available for the participants of the Conference by a fixed menù at the cost of about 10-12 euro. The lunch and/or the dinner at hotels is about 18-25 euro for a fixed menu.

Registration Fee

At the desk of the Conference the registration fee will be Euro **280,00** for a **participant**. For an **accompanying person** it will be Euro **170,00**.

The payment may be carried out by cash, travellers’ cheques or credit cards.

The registration fee also include the social events, coffee breaks, and a copy of proceedings for each participant.

Social Events

The **Welcoming Reception**, combined with the **Registration**, will be held at the Main Building of the University (Piazza Pugliatti), on **October 04th** at about **19:00 hrs**.

The Conference Dinner will be held at the “Ristorante Paradise” (along the road Giardini-Francavilla) on **Wednesday October 07th**, at about **19:30 hrs**, after the excursion at Taormina.

For participants (or accompanying persons) exempted from the registration fee, the cost of the excursion and the Conference dinner is **50,00 euro** per person.

Proceedings

Invited talks and oral presentations of contributed papers will be published by the World Scientific in the International Journal of Modern Physics E , as a special issue .

Participants have to prepare a paper of 7 pages (for an oral presentation) or 12 pages (for an invited talk) in style of the *International Journal of Modern Physics E* (see guidelines of the website <http://www.worldscinet.com/ijmpe/mkt/guidelines.shtml>) .

When participants will be at Messina for the Conference, they will have to give the text of the article on an electronic support to the Organizer Committee.

Each paper will be submitted to a Referee for the reviewing process. Such a procedure is explicitly requested by the World Scientific.

Therefore, if the paper will be accepted it will be send for the publication in *International Journal of Modern Physics E* .

Program of the Conference

The detailed and upgraded program is available at the Conference web site:

<http://nucleo.unime.it/conf2009/>

Weather Conditions

The weather is fine during the first part of October. There are sunny days with temperatures between 20-27°C. Sometimes it is possible to have a transient perturbation with wind and rain, but normally the weather is stable.

Map of Messina involving the sites of the Conference
